

Ref. Code: Q002
Type: QNote
Title: Preference for Domestic Specialty Metals
Description: Compliance to DFARS 252.225-7009.
Revised: November 26, 2014

The item you provide to Evaero must have been melted or produced in the USA *and* be in compliance with DFARS 252.225-7009.

You are required to flow DFARS 252.225-7009 down to your suppliers and subcontractors with instructions that they do the same to the extent necessary to ensure that the end product delivered to DoD meets the requirements of the clause.

Note: although the clause allows specialty metals to have been melted and produced in the United States, its outlying areas, or a qualifying country listed in DFARS 225.872-1, unless an exception is specifically listed on an Evaero purchase order the item you provide to Evaero must have been melted or produced in the USA.
