

Ref. Code: Q003
Type: QNote
Title: Counterfeit Risk Mitigation
Description: Requirement for items obtained directly from original manufacturer.
Revised: March 23, 2015

By seller's acceptance of this purchase order the seller acknowledges that the goods to be delivered hereunder:

1. Shall be and only contain materials obtained directly from the original component manufacturer (OCM) or the original equipment manufacturer (OEM), (collectively, the original manufacturer (OM)), or an authorized OM reseller or distributor.
2. Are not counterfeit.
3. Do not contain counterfeit items.
4. Contain only authentic, unaltered OM labels and other markings.

In the event that any material to be delivered cannot be procured in accordance with this requirement the seller must obtain buyer's prior written authorization if an alternate source or deviation from this requirement is required.
